Sir:

POWER OF ATTORNEY

The inventor has signed a Power of Attorney to this agent so as to facilitate a response as suggested by the Examiner. The Power of Attorney is attached hereto. Please note our Docket No. **2307-004**.

An office action is pending, dated November 13, 2003 and due without penalty on or before February 13, 2004. We are already one month into extensions.

Applicant has followed the Examiner's suggestion in the office action and sought the assistance of an Agent qualified before the USPTO.

This agent is not aware of the current state of the application. The application is not yet published. The office action is responsive to Applicant's communications of February 10, 2003 which apparently has 9 claims.

Applicant and Agent would appreciate a facsimile copy to (403) 203-0403 of the application as it is currently on file as of February 10, 2003 so as to make a meaningful response.

Respectfully submitted,

Sean W. Goodwin #39,568
